|-----------|--|
| NM-12-D-1 | Looking south through east portion of Centralized Work Equipment (C.W.E.) Storage Shed (Bldg. 126). Note overhead monorails for material-handling hoists. This shed stored track maintenance materials |
| NM-12-D-2 | Detail of C.W.E. Storage Shed (Bldg. 126) monorails and safety sign for track workers. Machine Shop (Bldg. 134) is in the background |
| NM-12-D-3 | Detail of C.W.E. Storage Shed (Bldg. 126) monorail switches. Workers pulled the chains at right to align the switches. Workers also pulled the hoists, loaded or unloaded, along the monorail tracks |
| NM-12-D-4 | Looking north through the C.W.E. Storage Shed (Bldg. 126) |
| NM-12-D-5 | Looking south through west portion of C.W.E. Storage Shed (Bldg. 126) |
